

PRODUCT SPECIFICATION SHEET

Atkinson Push Button Sight Gauge

Part Number: SG15XX

Product Description

The most popular push button sight gauge ever produced for the visual inspection of a tank's contents.

Produced to BS799 and featuring a push-to-read button that isolates flow into the tube when released, these gauges are not only popular for use with oil tanks, but also for use with rainwater tanks, and other products that are not chemically aggressive to the gauges component materials (not WRAS approved for use with drinking water).

Complete with Standoff Clip for attaching to the top of the tank. The supporting shield on 4ft 6in & 5ft models are UPVC and on 6ft+ models are Aluminium.

How does it work?

A sight gauge is a small tube that is connected at the bottom of the tank inline with the feed pipe. The tube runs up the side of the tank and is clear, usually with a float inside. The bottom of the gauge will normally have a "pull to read" button or a push button. When this is operated the valve opens and allows fuel to travel up the tube. Due to the gravitational effect, the fuel in the tube will level out at the same level of the fuel inside the tank.

Features

- Manufactured in the UK by us
- Choice of height: 4ft 6" - 10ft
- Choice of PVC or Aluminium sight tube
- Choice of connection: 1/2" - 3/4" - or 1" available

1/2" BSP Connection

Part Number	Description
SG1550	4ft 6" (1390mm) 1/2" BSP Push Button Sight Gauge - UPVC
SG1551	5ft (1520mm) 1/2" BSP Push Button Sight Gauge - UPVC
SG1552	6ft (1830mm) 1/2" BSP Push Button Sight Gauge - Aluminium
SG1554	8ft (2440mm) 1/2" BSP Push Button Sight Gauge - Aluminium
SG1556	9ft (2743mm) 1/2" BSP Push Button Sight Gauge - Aluminium

3/4" BSP Connection

Part Number	Description
SG1557	4ft 6" (1390mm) 3/4" BSP Push Button Sight Gauge - UPVC
SG1558	5ft (1520mm) 3/4" BSP Push Button Sight Gauge - UPVC
SG1559	6ft (1830mm) 3/4" BSP Push Button Sight Gauge - Aluminium
SG1561	8ft (2440mm) 3/4" BSP Push Button Sight Gauge - Aluminium
SG1562	9ft (2743mm) 3/4" BSP Push Button Sight Gauge - Aluminium

Atkinson Push Button Sight Gauge

Part Number: SG15XX

1" BSP Connection

Part Number	Description
SG1564	4ft 6" (1390mm) 3/4" BSP Push Button Sight Gauge - UPVC
SG1565	5ft (1520mm) 3/4" BSP Push Button Sight Gauge - UPVC
SG1566	6ft (1830mm) 3/4" BSP Push Button Sight Gauge - Aluminium
SG1568	8ft (2440mm) 3/4" BSP Push Button Sight Gauge - Aluminium
SG1570	9ft (2743mm) 3/4" BSP Push Button Sight Gauge - Aluminium
