## Inside This Guide

- ✓ A quick overview of underfloor heating
- ✓ When it's the right fit for your project
- ✓ What to have in place before you start
- ✓ How to choose the correct Wavin Comfia Pack

## Why Homeowners Choose Underfloor Heating

### Comfort & Warmth

Even heat across the room – no more cold spots.

### Clean & Clutter free

No radiators = more room for furniture and design freedom.

### Compatible with modern heating systems

Wavin UFH works with traditional boilers and low-temperature heat pumps.

### Great for

Kitchen Extensions

Open Plan Renovations

New Builds
